## CONTACT INFORMATION

Prof. Myungsook Kim (roselet@swu.ac.kr)

ISCC is an international academic exhibition of student works for convergence in all disciplines. It is a platform for understanding of various major studies, exchange of convergence idea, and exhibition of creative student works from all university disciplines. ISCC values high creative human intelligence, supports convergence among different disciplines as source of innovation and creativity, and plays the role of connecting next generation leaders to lead a creative and abundant future.
